WEEKLY NEWSLETTER

Dear Parents,

What a glorious week of sunshine we have enjoyed and so have the poppies in the school garden; I have avidly watched all week as they have grown and blossomed just like our children this term. It is with thanks to parents that this garden is planted and maintained so many, many thanks. If you ever feel you can offer some time or gardening knowledge to the school please feel free to volunteer; our plants and pupils will appreciate it.

The children really have blossomed this term with more confidence in their maths reasoning, more detail paid to the presentation of themselves and every piece of work, they really are working hard and making a positive contribution to our school community. The Year 2's have given their all to their 'fun quizzes' (SATs!) and whilst they continue to work hard and embed their learning, they are also practising country dancing so they can be part of the village fete. Some of the Year 1's visited the polling station on their way to orest school and Reception are putting their road safety skills into practise as they walk to PE on the school field. Keep up the good work everyone we are very proud of you!

A huge thank you goes to all those parents involved in the Fayre last Friday, from the ideas, planning, resourcing, organising, staffing and those spending money it is very much appreciated. We eagerly await the news of the amount raised from everyone's fantastic efforts. We have plans in the pipeline for useful additions to every class and to renew and brighten our playground. Don't forget the fantastic summer party too for the adults; tickets are now available.

We do hope this glorious weather continues for a happy half term and we all come back refreshed for the last part of the Summer term. It may be the last but by no means is it the least with lots of fun learning opportunities, preparation for change and celebrations of this year's learning journey. As the whole school embarks on this topic we are ready to "**Rumble in the Jungle**!"

Mrs Stevens& Mrs BlissHead of SchoolExecutive Head

Our value for next half-term is; Friendship
