

St John's C of E Infant School
Enquiring Minds and Open Hearts
Week 7
18th October 2019

Smile Please !

This week we all arrived at school looking fabulous and ever so smart for our photographs. Well done every one I am sure you will enjoy seeing how marvelous you are when the proofs arrive - hopefully before half term. Look out for our new Rabbit class in this week's Herald supplement as well.

The penny challenge has seen some fabulously creative ways of involving people far and wide in gathering coins for each class. We await the results with baited breath. Thank you so much everyone for getting behind this initiative.

Values News

This term our value is Thankfulness.

This week we have thought about God's wonderful world and what we have to be thankful for. We meant the things around us that we often walk past without thinking. The grass, trees, flowers, conkers, sun, wind and even the rain.

What might happen if you are not thankful for these things saw the children refer to seas full of plastic, animals becoming extinct and humans having no clean air if our trees are all chopped down. Examples of this were given even from our youngest pupils.

We also looked at how we can show thankfulness for these things; we referred to singing and praying but also by taking care of things like the environment, animals and other people.

So please take time to stop this weekend and be thankful for the wonderful world around you.

Club News

French club has 3 spaces left please ask for details if your child would be interested in this club.

Marvellous Me News !!!

Great News about the Marvellous Me app!

Do you know it has a heading for Newsletters and one for Calendar?

These take you directly to the school web pages with the newsletter and important dates.
