**SPRING 2020**

## Happy New Year

Happy New Year to all the families and friends of St John's School, it was a fantastic break but it is also fantastic to be back. The children are all well, excited and keen to learn. The whole school topic this term is "Fire and Ice." Whilst classes will be looking into historical events such as the Great fire of London the children have also expressed concern for the events taking place in Australia. We plan to talk with the school councillors to see if we can come up with some ideas for ways in which we may help. If you have any ideas you would like to share please email them in or talk to your children about them so they can share them in class discussions.

We hope you all received our email of thanks this week for all staff were feeling truly appreciated at the end of term so please accept our thanks.

## Values News

**This term our values are Love and Compassion.**

We have also been thinking about the significance of the words 'Happy New Year!' and how important it is that we live out our wishes of happiness to those people in our lives that we may have used them with. We also decided we were going to treat this brand new year with respect and care and make sure we are thankful for it and value it.

Peter 3:8 "Live in harmony with one another."
