

St John's C of E Infant School
Enquiring Minds and Open Hearts
Week 3
20th September 2019

Star learning

Well we are now pleased to say that all classes are in school and our learning is progressing in leaps and bounds as we adjust to new year groups and new expectations. Our new values leaders have their photographs displayed around the school now and are looking forward to being shining examples to all.

We are now starting our week with a celebration assembly so that we may motivate learners at the start of the week. We love to celebrate all learning so please bring in awards given for skills you are learning out of school. This used to be on a Friday so please remember to bring them on a Monday instead. We are also awarding the star learner award for each class to celebrate a person's learning from the previous week and discussing the range of learning tools they will have used to make that learning remarkable. This will be a certificate and added to Marvellous me.

As part of our topic Marvellous Me we are all receiving lessons from the school nurse on Monday 23rd September on how to wash our hands. This will support our learning about our own health and the health of others.

Values News

This term our value is Thankfulness. This week we have been reminding ourselves about the importance of saying thank you. By acting out the Bible story 'The Man Who Came Back' from the Children's Story Bible we were reminded that of the 10 lepers who were miraculously cured by Jesus, only one came back to thank him. We know that it is often too easy for us to get carried away with our own successes and celebrations that we forget to thank those who have helped us along the way, but know it is important that we do just that.

New Diary Dates:

10th October Harvest Festival at the church

4th October – second hand uniform sale in playground at the end of the day.

Marvellous Me News

Wow! So many parents signed up already you are all doing so well.

We are getting used to using the system and you should start to receive badges and achievements for your child/ren.

We are trying not to bombard you and make the messages meaningful.
