WEEKLY NEWSLETTER

Dear Parents

Welcome back after the half term break. What an amazing week it has been! Despite it being a slightly shortened week, we have managed to fit in so much, including taking the whole school on a trip.

Our school trip to the Brooklands Transport Museum was very successful. The children had an amazing time exploring different aspects of transport. When we planned the trip, I never imagined that some children would have had the opportunity to sketch in the shade of the undercarriage of Concorde or sit in the seat of a harrier jet! They behaved beautifully and we were all very proud of the children. The staff who worked at the museum complemented them on how polite and well behaved they had been.

Thank you to the adults who supported us on the school trip. Without the help of additional adults to adhere to the correct child:adult ratios, trips like this could not take place. Please take a look at the Gallery page on the website for some fantastic photos from the day!

Whole School Topic and Topic Webs

This half-term the children will be learning about different aspects of transport inspired by our visit on Wednesday. Please see the individual class topic webs on our school website. These will help you to know what your children will be learning this half-term.

Art Exhibition

We are looking forward to having an art exhibition at the end of this term. It is intended that every child in our school will have a piece of work to display linked to this half-term's topic. The exhibition will formally take place during the last week of term and more details will follow in the next few weeks.

School Gates

As part of our responsibility for keeping our children safe in school, we are now keeping the school gates closed during the school day. As you will probably already know, the gates are currently padlocked at break times and lunchtimes and they are unlocked at other times to enable visitors to access the school via the school office. Each gate now has a chain link that keeps the gate closed but enables visitors to undo the link and enter the school ground. If you come into school during the day, please will you put the link in place when you come in and when you leave the premises. This measure has been taken to ensure that our children are safe and that the school grounds are secure during any part of the school day.

Churt Village Fete

The Village Fete takes place tomorrow at 2pm. It will be a lovely opportunity for the community to come together to celebrate the 150 years of St John's Church in Churt and enjoy various events. Don't forget that Badger Class will be performing their country dancing display so see you there!

Have a lovely weekend.

Best wishes
Gillian Morris

Dates Box:

Sat, 9 June	2.00pm	Churt Village Fete
Mon, 25 June	am	School photographs - classes and whole school
Sat, 30 June	11.00am - 1.00pm	PTA Summer Fair
