The Christmas message

Wow! What a week it has been and I can only reiterate how proud we are of the amazing children and their fantastic performances. Our Christmas message being, it is not the luxuries or the gifts in fact "the best gift around the tree is the presence of a happy family all wrapped up in each other." The Year 2 children also sang to the Churt Lunch Club on Monday afternoon who were very enthusiastic about the performance and we finished by all singing together. It was a wonderful opportunity to join with members of our community in song.

Values News

This term our value is Peace.

So our peace makers explored what happens when people vote and how people should behave following the results. We voted for our favourite song to sing, and came up with lots of peaceful ways to behave following the result. We would not boast, we would be kind and compassionate, accepting the result in a peaceful way whether we agreed or disagreed with the result.

Please find below a list of winners for the silent auction and if you haven't already been contacted you should be very soon. Thank you so much to those who organised and those who made bids - the monies raised is set to make a big difference to our school.

Please see below the flyer about carol singing in the village. All welcome.
