WEEKLY NEWSLETTER

Dear Parents

Summer Fair

Thank you so much for supporting our Summer Fair last Saturday. We were blessed with beautiful sunshine and time was very pleasantly passed socialising and engaging in activities to support our school. It was lovely seeing the children enjoying themselves with their families and friends in a happy, relaxed atmosphere. An enormous thank you to the PTA, who worked tirelessly behind the scenes and on the day, to bring the whole event together. The help in setting up and staying behind after the event to ensure that the school was ready for action on Monday morning was amazing. The PTA are still calculating the final total and we will let you know this figure shortly.

Sports Day

We are looking forward to our Sports Day this coming Tuesday, 10 July. Firstly please could the children come to school in their sports kit in the morning. They are not required to wear their school uniform at all that day and if they arrive at school already changed into their PE kit, it will help us enormously in getting the children organised. Please can we ask for your help in ensuring that suncream is applied before the start of the school day.

As mentioned in a previous newsletter, this year the children will have a picnic lunch on the school field. Parents are invited to be on the field by 12.30pm waiting for their children. The children will have had a break and run around before leaving the school at lunchtime. They will then be walked over to the field and parents will be invited to collect their children from their teachers and enjoy their lunch together. The children will be asked to re-join their classes just before 1pm. At the end of the afternoon, parents are welcome to take their children home from the school field or collect them in the normal way outside their classes.

Can parents please keep their children away from the track during the picnic lunch as staff will need to set up equipment.

If you are able to help in providing sun protection for the children by bringing along a gazebo, please can you let the school office know.

Meet the Teacher Morning on Monday, 16 July

Children in the current Rabbit and Fox Classes will be spending the morning with their new teachers on Monday, 16 July. Badgers Class will have a fun-filled morning taking part in a range of activities with myself or Mrs Stevens.

Information will be issued at the end of next week about which teachers will be teaching which classes next year.

We look forward to seeing you over the next couple of weeks as our term draws to an end. Please look out for information about our forthcoming Art Exhibition and end of term Service.

I hope you'll enjoy another weekend of sunshine with your families.

Best wishes
Gillian Morris

Churt Girls' Football Club

We are looking for new players so we can double numbers over the season, which starts on Sunday 2 September.

We offer girls' football for 5 to 12 year old girls and play at Waverley Abbey School, Tilford, on Sunday mornings.

Girls' football started at Churt in July 2017 and has grown massively over the year. We now have 40 girls enjoying their football on Sunday mornings.

Our main objective is for girls of all abilities and levels of experience to enjoy playing football.

If you would like to come along and try it out, please contact Andrew Hall on Andrew.hall.football@btinternet.com for more information.

Churt Girls' Football Club: please see the flyer opposite which we have been asked to forward to everyone.
