## **WEEKLY NEWSLETTER**

Dear Parents,

We have had a week of many weathers that makes it particularly hard to choose the right clothes! Our best advice is to look at the forecast and be prepared for all circumstances; things can change in a second!

With the help of each class forest school team we have begun experiments into how and if products degrade when buried in the soil. We want to see with our own eyes and use this information to decide how we can help our planet. We have buried man-made and natural materials and will be digging them up at various intervals to observe what happens.

This week's tip that has been shared with your children is to buy loose bananas, not those wrapped in plastic. If they start a discussion about this with you then please consider their view point so that we may all work towards less plastic waste.

Momentum is building for our fabulous Spring Fayre - please help support your PTA by providing the donations they have asked for. Please ensure all alcohol donations are handed in at the school office. We look forward to seeing you on Friday 17<sup>th</sup> May. Thank you very much to everyone, we are really looking forward to providing some new equipment for our classrooms and the playground that will promote learning and friendship by enhancing the environment and facilities.

Our Friday ended beautifully with an unexpected visitor from the village who wondered if we would like to meet a visitor from her garden. Thank you so much for introducing Mr Prickles to us he was very friendly and we all saw his twitching nose and sparkling eyes. So keep your eyes peeled in your gardens - hedgehogs were in the news this week as endangered so let's look after God's creatures.

This week we have learnt about promises and how important it is to try and keep any promises we make so that people will believe in us and trust us, just as Christians believe and trust in God.
