

St John's C of E Infant School
Enquiring Minds and Open Hearts
Week 16
17th January 2020

Drama workshop

This week saw all classes take part in a drama workshop about travelling to different places in the world. We travelled to hot countries and cold countries in a bid to complete our adventures. We sang songs about the countries and played games. Thank you to "Perform for Schools" for delivering this event. We had lots of opportunities to use our imagination learning tool.

Values News

This term our values are Love and Compassion.

This week we have thought about how we tell people we love them and no matter how well you describe it or how often you say it, the way we show it is the most important thing.

It is our actions that truly show our feelings and prove the meaning of our words.

So how will you show love?

If someone shows you compassion how can you show that to others?

We were also very grateful to Reverend Derek for leading us in worship this week, he reminded us of the instruments he had used at the Christingle service and was amazed at how good the children's memories are. He told us about an event in the Bible when Jesus helped a woman, showing her kindness and compassion. Once the woman had been helped she was so grateful that she went on to help many more people showing them the kindness and compassion that had been shown to her. We hope to follow the example of Jesus and show compassion to others in the hope that they too will show compassion to others.

Reverend Derek will be with us to lead regular worship throughout the term.
