Harvest Festival

Rosanna spoke at the Harvest service about the fruits of the spirit, which were so very evident in your generous and thoughtful gifts for the White Chapel Mission. Thank you. I think you will all agree we send our thanks to Rosanna for her fantastic contribution to the church and school. This week the members of Churt Beavers gave a presentation in assembly to the whole school asking for our support in their campaign to save our planet. They are asking that we all bring in empty crisp packets and pens so that they can ensure they are recycled and not added to landfill. They have made posters and provided boxes to collect these which can be found in the library. They made such a good case for this that many children have already started to bring some in. We look forward to seeing these collections grow and everyone can bring about change. Thank you Beavers for a fantastic presentation.

Values News

This term our value is Thankfulness.

This week we have been being thankful for all of God's creations and reminding ourselves that we have a responsibility to look after all of them - including each other and ourselves. In our assembly today children (and adults) finished off the sentence, 'I am marvellous because....'

"I am brave (having to make lots of hospital visits) and good at writing."

"I am a good friend."

"I am a good mathematician."

I can tackle really well (but make sure I am doing it respectfully!)"

I am good at swimming."
