

St John's C of E Infant School
Enquiring Minds and Open Hearts
Week 4
27th September 2019

Community spirit

Well we have all been busy with our learning this week whether that is playing letter sound games, finding out about Picasso or sharing our marvellous talents. We have also had a real community feel which started on Monday with the school nurse teaching us about washing our hands. She used a very effective tool to demonstrate how germs spread (glitter!). If just two people in each class cover their hands in glitter then they touch everyone else's hands the glitter spread everywhere, just the same way as germs do. It was fun!

The coffee morning saw a huge effort from all members of the community to raise fund for Macmillan. Next week holds another surprise visitor for the children on Wednesday afternoon to discuss their role in our community. Look at all the marvellous people around us we are so very thankful for everyone and the time they share with us.

Values News

This term our value is Thankfulness.

This morning we took time to show thankfulness to the people who support people and families living with cancer. The whole community supported us with this at our Macmillan Coffee morning. Thank you so much to everyone who made it possible from the organizing, promoting, baking and to those who attended. A special thanks to our year 2 children serving the refreshments. We also used this to reflect upon in our worship and take time to appreciate all those who help people in need. Together we can make changes; we have all been part of something amazing!

Clubs Update

We are putting out a reminder about our choir club on a Friday after-school as currently there are not going to be enough children in the choir to allow the club to continue in the future. Singing is so beneficial for the mind, body and soul that there are immense benefits to singing and we would love to see this continue. Please sign up soon to keep this club singing!

Marvellous Me News

We are all enjoying using Marvellous me. The children are motivated to receive messages sent to you about how well they are doing with our values, rainbow rules and achievements made in learning.

There is also a sporting hero badge awarded in each class each week
