## Enquiring Minds and Open Hearts

**Autumn Term – Year Two**

**Topic: Marvellous Me**

### English

We will be reading the Roald Dahl book 'Georges's marvellous medicine' this term and creating character descriptions, letters and reports based on the book.

Visits from:  
School Nurse  
Police

### Mathematics

This term we will focus on number bonds to 10 and 20, counting and place value. We will also be ordering and comparing numbers using greater than, less than and equal signs. As well as Counting in 2's, 5's and 10's!

### RE

During RE this term the children will be discussing the question: Why is the bible an important book? Focusing on books in the bible, how it helps people and what part it plays in the lives of children and their families.

### Science

In science the children will be exploring the different parts of the human body and the senses as well as exploring seasonal changes and various habitats in Forest School sessions.

### PE

Within indoor PE we will be covering basic movements such as balancing and jumping before then using these to incorporate into our own dance compositions.

### PSHE

This term will be focused on UNICEF's 'rights and responsibilities' charter for children which will be closely linked to our school rainbow rules.

### Geography/History

In history the children are going to be looking at timelines of their own lives and important events within them. In geography we will be learning all about the oceans and the continents.

### Art/DT

For DT we will be looking at creating healthy meals. We will also be learning about the art work and life of Picasso and creating work in his style.

### Music/Computing

Within music we are going to be exploring different genres of music and their characteristics. In computing we will be learning about safety online and word processing.
