What are you good at, what are you proud of? What would you still like to get better at? What has been the best thing about being at St. John's School? Draw a picture of yourself and answers to these questions. Use your reflective tool, be proud of yourself, be honest.	Discuss with an adult what you are looking forward to about your new school. Write a list of the things that you are excited about and looking forward to.	Discuss with your adult any things that you might be nervous about at your new school. Talking helps us when we feel nervous. It can also help to write down the things that you are nervous about.	Write letters to your new teacher tell them about yourself and all the things you are good at, what you are looking forward to and ask them some questions. Bring it with you to school next week and we will post them to your new school.	This is comprehension is a fable, what do you think it means? https://www.twinkl.co.uk/resource/t-l-53271-the-ant-and-the-grasshopper-differentiated-reading-comprehension-activity

Can you draw a picture of your class and all your friends and teachers? badger@stjohns-farnham.surrey.sch.uk	What do you think our values have taught you during your time at St. John's? Write a letter or draw a picture to Mrs Stevens about the values and what you think about them. Next week we will be talking to the values leaders about who they would like to make into the new value leader.	See Purple Mash for this week's Science work.	Can you practice the song 'One more step along the world I go'? https://www.youtube.com/watch?v=7PXV3dwaeNU	See if you can find any pine cones and make them into insects! You could stick on twigs for spiders' legs or paint them the colours of a bee!
