Take a look at the first set of worksheets which have been sent to you separately. We are looking at adding and subtracting 10. You can watch the lesson 1 introduction at <a href="https://whiterosemaths.com/homelearning/year-2/">https://whiterosemaths.com/homelearning/year-2/</a>	Today we will be adding a 2-digit number. Watch the tutorial and try the worksheet. Remember to use counting resources if needed.	Look at worksheet 3 on subtracting 2-digit numbers. There is a tutorial to help you. Remember, when you subtract the number you start with always gets smaller!	Worksheet 4 is number bonds to 100 using tens and ones. Again, the tutorial will help you understand what you are being asked to do on the worksheets.	<a href="https://whiterosemaths.com/homelearning/year-2/">https://whiterosemaths.com/homelearning/year-2/</a>  Click on the link to find this week's math's challenge under lesson 5. Good luck!

Please continue to write your diaries. Can you research what VE day is and why we recently celebrated it? Take notes in the form of a spider diagram or list. You may want to use the internet, ask parents or even call grandparents and ask them!	What is VE day? Using your information that you researched can you write about CE day. Imagine you are telling an alien from mars about it. Include all the facts and details you have found out.	Can you purple polish your work? Check your spellings, read it to make sure it makes sense and check capital letters and punctuation.	Draw a picture to go with your writing. Can you draw a Union Jack flag? Maybe a scene from during the war or an aircraft. It's totally up to you!	What does VE day mean to you? Do you think it is important? Why? How do your family celebrate it normally? How did you celebrate it this year?
<b>Art/Dt</b>	<b>RE</b>	<b>Science</b>	<b>Music</b>	<b>Forest school</b>
Can you make a poster advertising a street party to celebrate VE day?  <a href="mailto:badger@stjohns-farnham.surrey.sch.uk">badger@stjohns-farnham.surrey.sch.uk</a>	Why is it important to remember the end of the war? How do you remember God each day? What do you do to show that you remember God? Can you think of something special that you remember doing during your life?	See purple mash for this week's Science work.	Take a look at this music class online by Mylene Klass and learn how to make instruments!  <a href="https://www.youtube.com/watch?v=hA2Z-GVNdxo">https://www.youtube.com/watch?v=hA2Z-GVNdxo</a>	Can you find three plants in your garden or on a walk to draw and identify? You can ask adults or look on the internet to find out what they are.

<https://www.twinkl.co.uk/home-learning-hub> This also offers a suggested daily time table if you prefer.

Some people have asked for end of year expectations
