This week Premier League football is starting again and I'm very excited about it! Can you write a list of things that you will be excited about when it starts again? Remember to use numbers or bullet points for your list- it can be as many things as you like.	What are you most looking forward to doing when it starts again? Write about it and explain why you are looking forward to it.	Can you purple polish your work? Try using a dictionary if you have one at home. Or you can choose one of these sporty comprehension activities, think about which level of difficulty you wish to challenge yourself to do. https://www.twinkl.co.uk/resource/ks1-womens-world-cup-differentiated-reading-comprehension-activity-t-l-527670 https://www.twinkl.co.uk/resource/the-rugby-world-cup-reading-comprehension-ks1-t-e-998	Choose three spellings from the common exception words list. Ask an adult to put each word into a sentence and read it out to you. You then need to copy down the sentence, focusing on spelling correctly.	Choose three more spellings from the common exception words list. Ask an adult to put each word into a sentence and read it out to you. You then need to copy down the sentence, focusing on spelling correctly.

Can you create a collage using pictures, drawings, magazines or newspaper cuttings to reflect the thing you are most excited about doing when we are back to normal. badger@stjohns-farnham.surrey.sch.uk	Why is friendship important? What things do you do that make you a good friend? Watch this story and discuss friendship in the story. How do the acts of kindness start a friendship? Could this story have a different title to describe the giant? https://www.youtube.com/watch?v=cfiPrA8E3qE	See purple mash for this week's Science work.	Can you learn our friendship song? https://www.bbc.co.uk/programmes/p07q3hln	See if you can find a good hiding place in the woods or garden. What made it a good hiding place? What would make it an even better hiding place?

<https://whiterosemaths.com/resources/power-maths/summer-home-edition/> There is a booklet you can buy with the white rose scheme inside instead which may save you some printing out.

There are also other learning platforms you can choose to supplement this or instead of if you prefer

BBC bitesize which follows the same maths themes as us each day <https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons>
