## Enquiring Minds and Open Hearts

Spring Term 1

Toys

What were toys like in the past?

### English

We will start the term with a recount of our Christmas Holidays. We will also be exploring the picture book Harry and a Bucketful of Dinosaurs, completing Character descriptions. We will also be watching and analysing the film of Toy Story to create posters for missing Buzz.

Farnham  
Museum visit  
Milestone Trip

### Mathematics

This half term we will be starting off with recapping over some place value skills we will then be moving on to further addition and subtraction skills before returning to place value skills with larger numbers and to begin to practice our reasoning skills.

### RE

In RE the children will be looking at the Biblical story of 'The Good Samaritan' where they will understand what is meant by the term 'Love thy neighbour'. We will also be looking at the story of the Islamic story of 'Abdullah at Ramadan and compare the two.

### Science

Within Science the children will be looking at different materials. We will be looking at what materials toys are made from and thinking about why they are used for particular toys.

### PE

During our outdoor Monday PE lessons we are very fortunate to be learning the skills of football with an experienced coach. During our indoor Friday PE lessons the children will be learning different dance skills in line with the theme of toys.

### PSHE

PSHE will be taught in line within our analysis of the film Toy Story. We will explore feelings of jealousy and how to act upon these feelings and also the relationship of friendship and what makes a good friend.

### Geography/History

We are very excited to be receiving a visit from Farnham Museum who will be showing us different toys from the past. We will then go on a trip to Milestones to learn about different games children played. Within Geography we will be exploring continents and toys which originate from different continents.

### Art/DT

In Art the children will be learning the skill of Observational drawings of their favourite toy. In DT the children will be designing and making their own hand puppet.

### Music/Computing

. In Computing children will be learning how to keep safe online which will tie in with internet safety day.
