

Home school agreement September 2020

School

- We will stagger start and finish times along with activities throughout the day to ensure the class bubbles are kept separate.
- We will create one way routes where possible to avoid contact between class bubbles.
- We will increase daily cleaning of hard surfaces, toys and furnishings.
- We will have supplies of tissues readily available and respiratory hygiene will be encouraged.
- We will supervise handwashing as much as possible.
- We will keep classes to a maximum of 30 children and we will limit mixing with children or adults from other groups.

Parents

- You will only bring your child to school if they are healthy and free of symptoms of any illness.
- You will collect your child promptly should we have concerns about your child's health.
- You will bring your child to school at the specified drop of time and collect at the specified time
- When on site adults will remain distanced from all other other adults on the site.
- You will leave the school grounds swiftly to ensure social distancing between households and classes
- You will dress your child in clean school uniform.
- You will only allow your child to bring a coat, reading book wallet and a named water bottle in a bag to hang on their peg to school.
- You will have taught your child good handwashing.
- You will follow all government rules especially about social distancing out of school, to protect yourself and your family, which in turn will protect all the school children, staff and everyone's families.

Children

- Please walk into school with a smile as we are so happy to see you.
- Please wash your hands well every time you are asked to.
- Please only use marshmallow high 5's or hugs with teachers and your friends in your group.
- Please come to school with only a coat, reading book and a water bottle (no toys allowed)
- Please follow the rainbow rules and let your light shine.
