

We have been so busy in the past few weeks, rain or shine, and having so much fun!

The school trip was a highlight, particularly after our capybara stimulus the week before. Have a peek on our social media if you haven't seen the photographs of Samba's adventures around our school.

Coach Sam's World Cup Sweepstake—children have been given a country and the flag to colour and return to school to receive a football fidget toy. Rabbit class have done theirs in school.

Thank you so much to our country dancing team who did an amazing job when dancing at the opening of the village fete. It was a great event and so lovely to see past pupils as well as meeting future pupils.

Next week we have our sports day to look forward to. We hope you will be able to join us for a picnic on the recreation ground at 12.30. We suggest the recreation ground as there is some shade from the trees. We will walk the children over ready to meet you. If you are unable to meet us for the picnic that is fine just let the office know and the children will sit with staff. If you would prefer to make plans for them to sit with another family again just let the office know. We will then move to the school field around 1ish to begin the sports day races. The school field lacks shade in the afternoon so please be prepared for this if the weather is hot. Once we have run the races usually just before 3, you will be able to collect your child from their teacher. If your child is attending French club or Hen House that day, staff will walk them back. There is no Hotshots club that day.

This coming weekend the time has come for our lovely Mrs Curry, who is doing a parachute jump and we are very grateful as she has chosen to raise funds for our school. There is still time to sponsor her in this incredible feat of bravery!! If you would like to do so you can click this [Just Giving Link](#).

Values News

**"Do to others as
you would have
them do to you."
—Luke 6:31**

This term our focus value is friendship. As we review the past year and what friendship looks and feels like to us all. We hope this will help everyone as they head off into the summer holidays to make holiday friends. It also helps if we are heading off to new schools soon then this reminds us about making new friends as well as appreciating the friends we already have.

When Jesus met some of his friends for the first time he told them he would teach them to be fishers of people. He would expect them to let their light's shine in order for other's to follow. We have reminded ourselves how important it is to follow our rainbow rules both in school and out of school. To show others the way, to encourage everyone to make good choices.

Have you let your light shine? Have you shown the way to your friends?

School Attendance

Regular

Punctual

Prepared

Please remember how importance school attendance is.

As the season begins to change and we all come together inside we do start to see germs spreading again. We still encourage good regular handwashing and use ventilation in classrooms to try to limit the spread.

You may find this NHS website page useful for information about school attendance.

Is my child too ill for school?

Please note if your child does have sickness or diarrhea then the child must remain home for 48 hours from the last episode. This helps to limit the spread of germs and saves others from the same experiences. We will send them home again if they return to school too soon.

Hello!

Welcome to Mindworks Surrey, the new emotional wellbeing and mental health service for children and young people in Surrey.

RISK ZONES

- ◆ Woods
- ◆ Long grass
- ◆ Undergrowth
- ◆ Moors and heaths

...across the UK - town and country

Ticks are larger after feeding. Before that they can be as small as a full stop on this page.

TICK REMOVAL

- ◆ Do it as soon as possible
- ◆ **DO NOT** squash the tick or apply any creams, oils or heat to the tick (if you put a tick under pressure, you may pump its saliva and stomach contents into you!)
- ◆ Use a **tick removal tool** to ensure you remove all the tick
- ◆ Dispose of the tick down the sink, avoiding getting any tick fluids on bare skin
- ◆ Remember you have been bitten and see your doctor if you develop symptoms

Mental Health and Well being

Churt Community Pavilion Modernisation Project "Buy a Brick" Scheme

Our goal is to transform the pavilion and to create a flexible location that supports not only our local sports clubs but also our wider community – a place for us all!

We have raised almost 80% of the total that we need to complete the current scope of the project, but we need to raise more to ensure that our project team can deliver a building that not just meets our needs but exceeds our original goals.

This is your chance to join the growing numbers of grant funding organisations and local residents who have supported us with our project.

Buying a Brick

By **buying a brick** you will be helping us to bridge the current shortfall in our funding and have a lasting and visual record of your support. Each brick will be etched with your own specific inscription.

Our brick slips

We will be installing the brick slips inside the pavilion to ensure that they are protected from the elements and visible to all. To retain the light and airy feel of the social area, the bricks will be light stone in colour and etched in navy; except for the "Golden bricks" which will be etched in gold.

There are 4 options to choose from - 2-line brick—£100 4-line brick—£250 6-line brick—£500 6-line brick etched in gold—£1,000 [or above]	Each line can be made up of up to 16 characters [including spaces]. For example, if you select a 6-line brick but only use 4 lines, your inscription will be centred.

Gift Aid

Using gift aid means that for every pound you donate the Recreation Ground Trust gets an extra 25p from HMRC, so for every £100 donation we will receive £125 which will help reduce our shortfall and it won't cost you an extra penny!

Higher rate tax-payers

UK higher rate tax-payers can also reclaim tax on charitable donations so for every £1000 invested after tax relief the cost is reduced to £550.

If you are a **UK Tax-payer** for Churt RGT to claim Gift Aid, we will need you sign a simple declaration:

For more information about etching and inscriptions and how to buy a brick please contact fundraising@churt.org

For more information about the wider project – please visit www.churt.org

Churt Recreation Ground Trust is the registered charity and owner of the pavilion and recreational ground. Churt Parish Council is the sole Managing Trustee for the Recreation Ground Trust and carries out works to maintain and improve the facility for the benefit of our wider community. Churt Recreation Ground Trust is a Registered Charity Number 305005
